- Light kit consists of two 4" amber lights and two 4" red lights for added road safety.
- Heavy duty running gear with front bolster bumpers.
- Heavy duty spindles rated for full capacity.
- 2-wheel brakes on 550 bushel model.
- 4-wheel brakes on 650 bushel model.
- Rear mounted SMV sign is standard.

★ NEW – Front mounted ladder

NOTE: Used truck tires furnished by Demco will vary in quality and outward appearance. Demco will guarantee used tires to hold air for 30 days from date wagon is delivered to dealer lot and assumes no warranty or liability on used tires once removed from dealer premises.

NOTE: Units are factory setup.

Heavy duty torsion bar suspension reduces wagon stress and improves ride and handling.

Rear mounted SMV sign and flasher/turn signal taillights for road safety

One piece reach pipe for pull through rear hitch design and safety chain support

2.8:1 sprocket ratio door opener with roller guides and chute light

New Ladder has hand rails and non-slip steps
