

Bed Shaper / Layer

Adjustable wings create bed widths from 18" to 5 feet wide.

The Holland Transplanter Model 1235 Bed Shaper/Layer guides the soil to the center of the machine as it forms the planting bed. The adjustable wings allow the preparation of beds from 18" to 5 feet wide. The height is also adjustable, with bed heights of 4", 6" and 8". Custom bed heights can be ordered for specific crop requirements.

This model has proven value for such vegetable crops as strawberries, squash, melons, peppers and tomatoes.

Length: 87" Width: 92" Height: 44" Shp Wt. 800 lbs.

Also available as a Bed Shaper with irrigation tape dispenser. (No layer)

Length: 38" Width: 92" Height: 39" Shp Wt. 250 lbs.
